Our current projects

NEW HOPE CENTRE & MINISTRIES, ESWANTINI (PREVIOUSLY SWAZILAND)

We have just started supporting New Hope this year. The vision for this ministry was given to Elizabeth Hynd in 2002. She tells us, "the Lord shared with me that the country would soon experience and deluge of orphaned Children from the HIV/AIDS pandemic". In March 2003, their first structure was officially opened housing 40-60 children. In January 2004 New Hope opened the Happy Overcomers Preschool for their orphans and children in the community, where they also follow the ACE (Accelerated Christian Education Curriculum). Operation Hope was launched this year, reaching out to 40 primary schools targeting the most devastated areas during the COVID-19 pandemic. "The best summary of what children in our home and in our nation need most is what every child in the world needs most: security, identity, nurture and hope."
